FORM NAME:	*Application for an Airside Vehicle Permit*
PURPOSE:	*To be completed by Stakeholders as part of application.*
SCOPE:	*This form applies to Toll Government and Defence Airports.*

I/we request that an Airside Vehicle Permit/s be issued for the following vehicles:

COMPANY DETAILS			
Company			
Contact Number		**Email Address**	
Contact Person			
VEHICLE/EQUIPMENT DETAILS			
Vehicle Reg. No. or Serial No.		Vehicle (Make/Model)	
Registration Expiry Date:			
Reason for Airside Entry			

I/we understand that:

- Only vehicles displaying a valid Airside Vehicle Permit are authorised to operate in the movement area unless otherwise approved by the Airport Operator.
- The vehicle/s must remain roadworthy and in sound mechanical condition for the period of permit issue to avoid breakdowns and fluid spills.
- Vehicles operating on aprons, runways and taxiways must be fitted with a rotating flashing amber/yellow light located on the highest point of the vehicle so it can be seen from all directions including from above. Vehicles on the taxiways and runways must be equipped to ensure that the driver can maintain two-way communications on the CTAF(R) frequency.
- The Airport Operator reserves the right to inspect vehicles for compliance with permit requirements and to prohibit the use of non-compliant vehicles in the movement area.
- The Airport Operator reserves the right to deny access onto the movement area to any vehicle or item of plant or equipment which could cause damage to the movement area or become a hazard in any other respect.
- An “Airside Vehicle permit” may be withdrawn at any time by the Airport Operator.

I confirm that the vehicle/s listed above belong to the nominated operator, is/are maintained to roadworthy or equivalent standard, is/are operated by suitably qualified personnel and is specifically covered by a third party or comprehensive insurance policy for operations on the airport at which it is located.

CERTIFICATION			
I declare that I currently hold a valid Authority to Drive Airside and understand the conditions listed above.
